* Column indicates how many and when credits are earned. For courses offered across multiple terms (shown in lighter text), credits are counted at the completion of the course.

1) Grade:

LGLP = Letter Grade with Limited Percentage of A+s/As basis (hereafter referred to as Letter Grade Limited basis)

P/NP = Pass/Non-Pass

2) Course to be offered across multiple terms; Credits to be earned when the student has completed the course.

3) Required for selected students only. Credits earned do not count towards the graduation requirement.

4) Japanese Language Course level (either basic, intermediate, or advanced) will be determined according to result of placement test.

5) For these courses, credits earned do not count towards the graduation requirement.

6) 2 credits may be earned by 2 year program students in their first year of study. For all other cases, students take the course for no credit.

7) In = Short term intensive

8) The two courses appearing at the immediate left are offered simultaneously, therefore students may take and receive credits for only one of these courses, not both.

9) This course will be offered twice in Term1 and Term 2. The content is the same and students may take only one of these courses.
